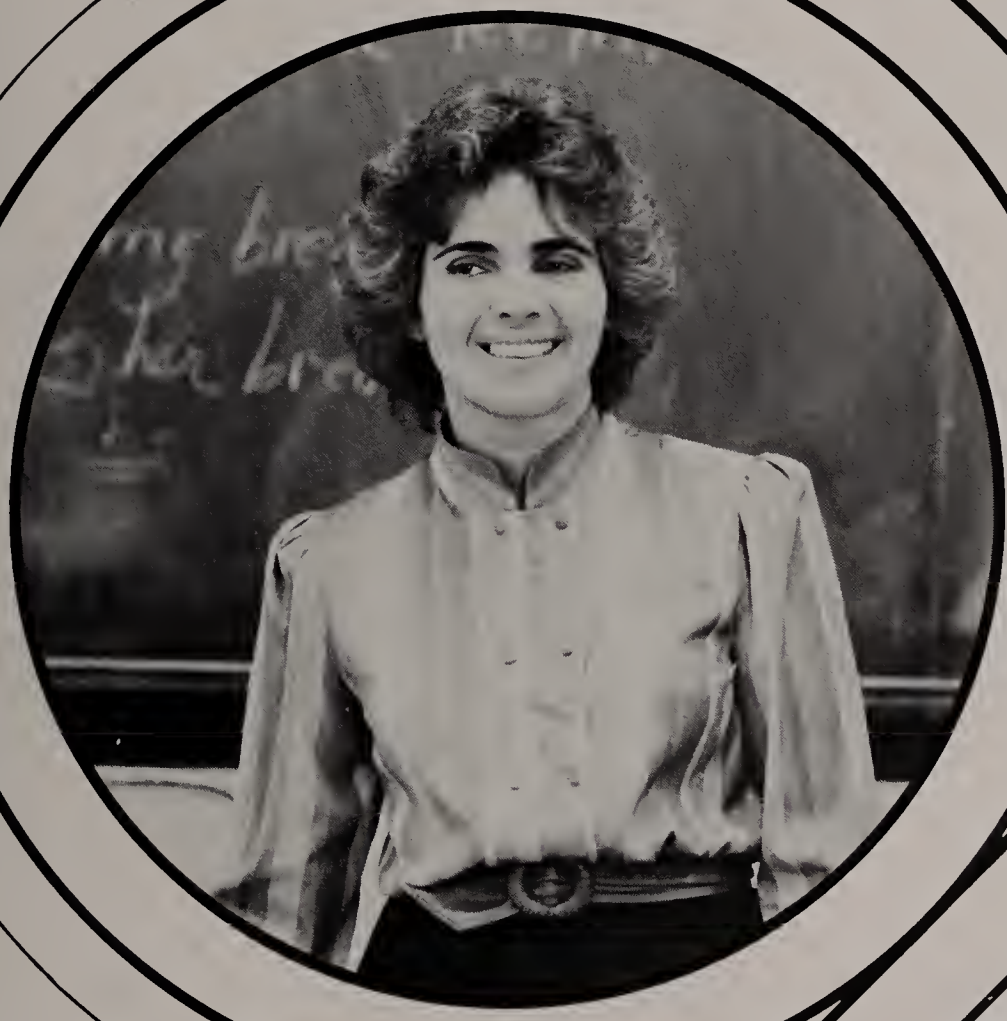
FACULTY



The Class of 1987 has many people to thank for their help and contributions. No one person, however, has done more for our class than Ms. Mary Guerriero.

When junior year came and we found ourselves without a class advisor, Ms. Guerriero willingly offered to help us out. She gave new ideas, spirit, and inspiration to the officers and every member of the class. Through her hard work, we were able to organize the first Senior Council in C.H.S. history, and we went about yearbook sales in an entirely different and most productive way.

Her devotion and enthusiasm will forever be remembered. Ms. Guerriero, THANK YOU! ! ! ! !

With Love and Appreciation,

The Class of 1987

To the Class of 1987:
Congratulations! Your family, friends, teachers, and administrators of Chelsea High School are proud of your accomplishments. The very best to every one of you.

OUR DEDICATION . . . . . .

As we began our first year as Chelsea High students, three very dedicated and hard working people also marked their beginning as Chelsea High administrators.

Mr. Mauro, Ms. Raimo, and Mr. O'Donnell have executed their responsibilities as administrators most efficiently. The Class of 1987 is very proud of the fact that it is graduating with the same headmaster and sub-masters that it started with. We feel fortunate to have had such tremendous guidance through four very rewarding, but difficult years.

Although it might not be said too often . . . . . THANKS! With much appreciation, we, the Class of 1987, dedicate our yearbook to Mr. Mauro, Ms. Raimo, and Mr. O'Donnell for all that they have done, not only for our class, but for everyone at Chelsea High.

ACTIVITIES

Although Chelsea High School's main purpose is to formally educate its students, its also places a strong emphasis on involving them in school clubs and activities. These social outlets provide the students with opportunities to interact outside of a classroom setting. All of us can sit at a desk and study, but those that participate socially truly learn that there is some to school than just books!

A GOOD YEAR

A FUN-FILLED MONSTER MASH

October 31, 1986, was a day in which the class of 1987 truly felt unique and special. The participation of all of the seniors was AWESOME!!!!!

Witches, bumble bees, and monsters could be seen traveling throughout the corridors of C.H.S. all day long. At the end of the day, the seniors attended an ice cream catered party in the cafeteria, and "secret boos" were later passed out to the entire student body. Special prizes were given out to Lydia Acevedo, (upside-down man), and Melissa Seroka, (Oscar the Grouch), for their VERY original costumes.

Second Prize - Melissa Seroka

First Prize - Lydia Acevedo

JUNIOR PROM

AN ENCHANTED EVENING

The date - May 30, 1986. The place - Caruso's Diplomat. The Chelsea High School Junior Prom was an event that will long be remembered. Multitudes of limousines and cars drove many anxious young adults that night to the entrance of elegant Caruso's. Everyone had a great time dancing all night to music provided by D.J. Bill Costa, from KISS 108 FM. Although the night flew by fast, all present agreed that the evening was a huge success, and that they hoped the Senior Prom would be just as FABULOUS!!!! . . . . . Through sun and rain, the Chelsea High School Varsity Cheerleaders weathered every game of the season with pride and spirit. No matter how rough things looked out on the field, they cheered, smiled, and tried their best to inspire the Red Devil team. Combining stunts and dances into their regular routines, the cheerleaders did an outstanding job, as usual, in entertaining crowds at rallies and games. Hopefully, this spirit will continue in years to come and prove that girls DO play an important role in school sports.

ACTIVE

PEOPLE

SPORTS

The athletes at Chelsea High, be they male or female, have all proven that hard work and determination do go a long way. Nobody forced them to play sports; they decided of their own free will. What they gained in the process was the value of sportsmanship, self-pride, school-pride, and the respect of the entire CHS student body. Hats off to all of you!!!

A GOOD YEAR

CROSS COUNTRY

Once again, the boy's Cross Country team was comprised of a few, but very dedicated and hard-working athletes. Throughout the entire season they practiced diligently, and proved that quality IS better than quantity. As expected, the seniors provided advice, guidance, and inspiration. Congratulations for not giving up and for showing that famed CHELSEA PRIDE!!!

CROSS COUNTRY

This year's girl's Cross Country team devoted much time and effort into their sport. They could be seen running through the streets of Chelsea regularly. SOCCER PROUD

"The 1986 C.H.S. soccer team experienced a year of rebuilding", related co-captain Artie Deleidi. Although they had to struggle and work hard all season, the team faithfully practiced and never gave up.

The seniors provided inspiration for the underclassmen, along with the necessary skill and sportsmanship that made them qualified leaders respected by the entire team.

FOOTBALL
HARD HITTING

When the year began, the Red Devils were looking forward to a decent season. Unfortunately, these hopes didn't turn into reality. Nevertheless, C.H.S. is extremely proud of the team for keeping their heads held high. The comaraderie on the team was exceptional, and all of the seniors did an excellent job in setting good examples. We'd like to congratulate the team on their efforts and extend encouragement for seasons to come.

COMPETITIVE INDOOR TRACK

Although track is a team sport, the events pit the athlets against himself. How far can I hurl that discus? How far can I toss that javelin? How fast can I run that course? Chelsea's athletes can be proud of the efforts that they gave, always giving 100% and then some.

GIRLS BASKETBALL

The girls' basketball team may have been small in size, but all the girls had large hearts. Despite going up against larger opponents game after game, the girls always put on a gritty performance. Although they did not have an outstanding record, their efforts always made for outstanding games. Seniors Ann Sullivan, Leitha Iles, and Lisa Coles provided the leadership that should carry the underclassmen to a successful season next year.

GBL CHAMPS-TOURNEY BOUND

BASKETBALL

The 1986-87 CHS Varsity Basketball team was undoubtably the athletic pride for all of Chelsea this past year. Led by senior tri-captains Richie Harris, Nestor Lopez, and Joe Smith, the Devils excelled in every aspect of play. With an unbelievable record- the last twelve games were ALL wins- the Mighty Devils captured the GBL Championship and once again traveled to the state tournament. Each success was a total team effort with great contributions by seniors Chris Jones, Chris Cooper, Jimmy Velestagui, and Robert Laffey. Guys, you were AWESOME!! Always remember "Sweet Victory"; Chelsea High will never forget the pride you brought back to "Good Old CHS".

HARD WORKING HOCKEY

Led by hard-working and dedicated seniors, the Red Devil Hockey team again did a super job this past year. In a sport which requires an equal amount of guts as ability, the CHS icemen proved that Chelsea "Has What It Takes". The 1986-87 team was very special. It had lots of great guys that renewed an interest for hockey at CHS. Hopefully, this spark will continue to grow, drawing more fans and players to the potentially GREAT hockey program.

SENIORS

The Class of 1987 went through many things together in the four years that they shared. There were the hard times: no advisor, little participation and hardly any money. But then again, there were the fun times: car washes, ski trips, dinner dances and proms. Each year that went by brought every member of the class closer together. In a community that often gets knocked down, the Seniors learned to appreciate other cultures and experience four valuable years that other students may never get a chance to experience.

The Class was led by four very capable and hard-working people. They gave of themselves whenever asked, and they worked diligently to make Senior year especially memorable. The officers carried out their responsibilities for the benefit of the entire class so that in ten years from now, each Senior can look back and say, "Those were GREAT times!!!!!"

We now present The Class of 1987 . . . . . .

SWING YOUR PARTNER ROUND AND ROUND

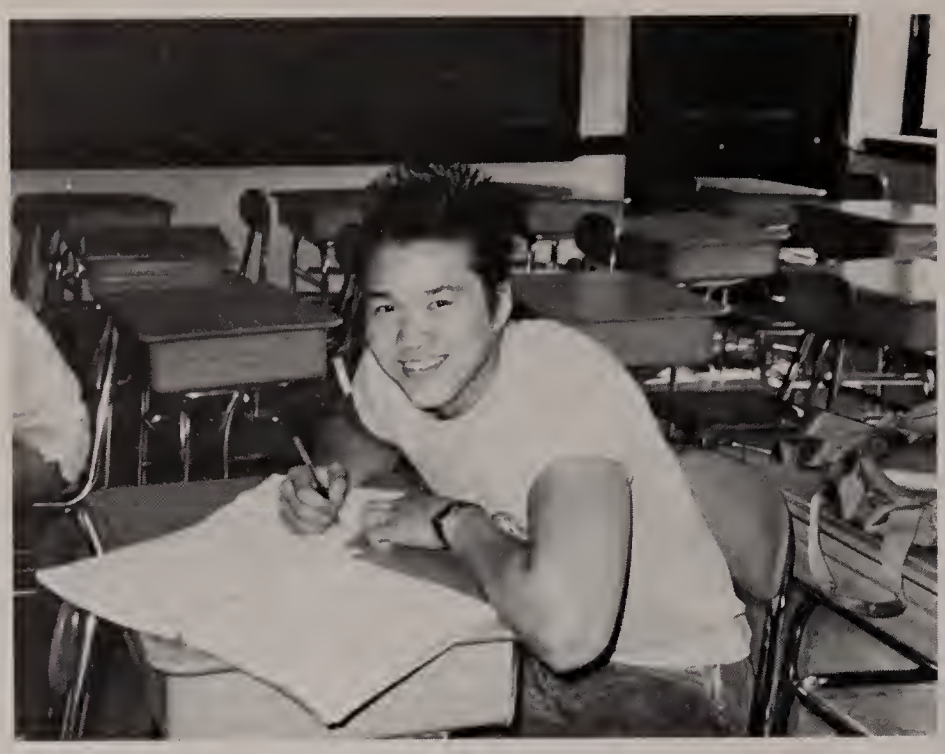
WINNING SMILES

SOME OF CHELSEA HIGH'S

WINNING SMIRKS



I think I know this one.

Held up by a computer!

I don't think I know this one.

Go ahead! Make my day!

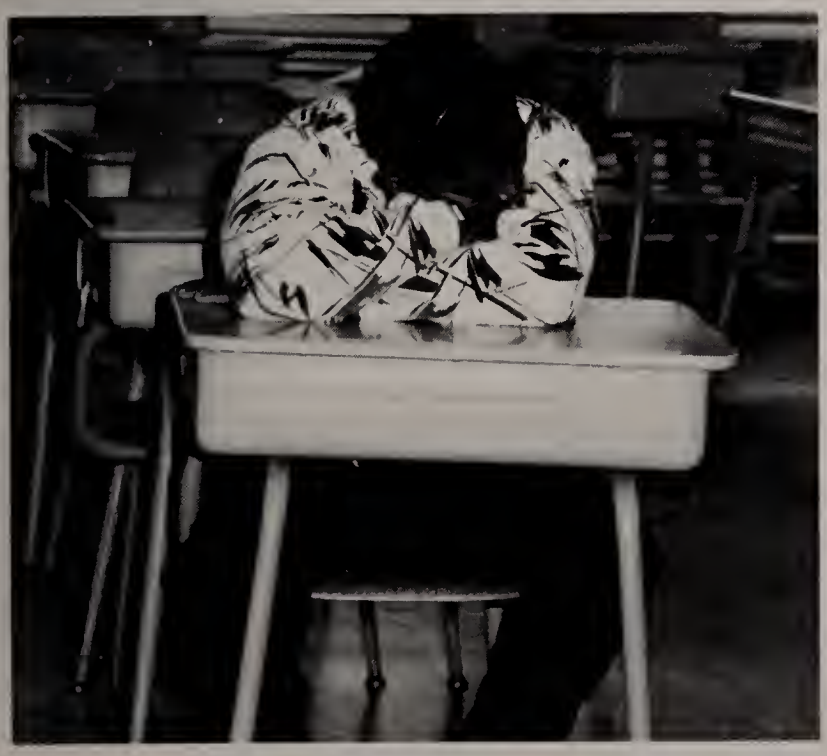
Louie, you're head's on backwards!

Are you sure two heads are better than one?

I think I struck oil!

You try to smile with a pencil stuck in your head!

Maybe if I just close my eyes, he'll take his camera and leave.



Wake me up at 2:10!

How can I look natural with my hair stuck in an adding machine?

Moonlighting

Mike Tyson champ

Four years are gone
They will never return
But the memories they've brought
In our hearts will always burn
Old friendships were strengthened; new friendships were made
We're now ready for our future
The foundation has been laid
Our life won't be easy
Success is not a breeze
But if there's one thing we've learned
"There are NO guarantees!"
Through honest, hard work, love and dedication
We'll take pride in ourselves and make each day a celebration
Then, without thinking, in the midst of a busy day
We'll sit down in a chair, laugh a little and say
"Once I was young, time has too quickly gone by
But thank God for the memories . . . . . .
Family, friends, and Great Times at Chelsea High!!"
